

## *Evaluating the Service*

**Please be as honest as possible! That's the only way we can grow and make changes...**

|                                  | <b>What did you notice?</b> | <b>What did you like?</b> | <b>What did you not like?</b> | <b>How could we do it differently?</b> |
|----------------------------------|-----------------------------|---------------------------|-------------------------------|--|
| <b>Service Time</b>              |                             |                           |                               |  |
| <b>Music</b>                     |                             |                           |                               |  |
| <b>Sermon</b>                    |                             |                           |                               |  |
| <b>How involved were people?</b> |                             |                           |                               |  |
| <b>General Vibe</b>              |                             |                           |                               |  |
| <b>Other</b>                     |                             |                           |                               |  |
